RE: National Leadership PAC
FEC ID #C00302588

Dear Ms. Wilkens:

On behalf of the National Leadership PAC ("the PAC") we are responding to your recent letter dated January 27.

In your letter, you noted the PAC had inadvertently omitted the occupation and employer information of its contributors. We are currently amending the report to include that information and will submit that amendment shortly.

You also note a lack of administrative disbursements on the PAC's report. This is due to the minimal activity undertaken by the PAC during the first six months of 1999. You will see substantially more administrative disbursements on the 1999 year end report due to the PAC's increased activity.

The report in question was prepared using Aristotle software. As requested, we are submitting a blank copy of the summary page and the detailed summary page. We are under the impression that Aristotle has been approved by the FEC.

Please don't hesitate to contact me with any additional questions you may have.

Sincerely,

William C. Oldaker
